

Vienna • Bratislava • Budapest

Discover the timeless beauty of Central Europe on an unforgettable journey through three captivating cities. Designed exclusively for women, this experience blends iconic landmarks, authentic cultural experiences, meaningful connection, and intentional moments to slow down and simply enjoy the journey.

We recommend booking a flight that arrives in Vienna (VIE) no later than 2:00 PM on Day 1 to allow plenty of time for hotel check-in before our Welcome Dinner.

Guests arriving after the recommended arrival window may miss portions of the evening's activities.
